9 to 15 U.S.C. § 1121, and 28 U.S.C. §§ 1331 and 1338.

10 1. This Court has supplemental jurisdiction over the claims in this Complaint that
11 arise under state statutory and common law of the State of California pursuant to 28 U.S.C. §

13 the same case or controversy and derive from a common nucleus of operative facts.

14 2. Venue is proper in this Judicial District pursuant to 28 U.S.C. § 1391(b) as a
15 substantial part of the events or omissions giving rise to the claim and the threatened and actual
16 harm to Plaintiffs occurred in this District by reason of Defendants’ conduct as alleged below.

(collectively, the “VERIZON FIOS Related Domain Names”). The VERIZON Related Domain Names and the VZ Related Domain Names and the VERIZON FIOS Related Domain Names

1 are collectively referred to as the “Infringing Domain Names.” A printout of the WHOIS
2 ownership records for many of these domain names is attached to this Complaint as Exhibit 10.

3 76. Plaintiffs are informed and believe, and on that basis allege, that many of the
4 Infringing Domain Names have been registered, used and deleted within five days of
5 registration to avoid paying any registration costs and to avoid detection by Plaintiffs and other
6 trademark owners. The practice of registering and deleting domain names within five days that
7 do not generate sufficient traffic to turn a profit in order to avoid paying for the registration is
8 commonly referred to as “tasting.”

9 77. Plaintiffs are informed and believe, and on that basis allege, that Defendants
10 immediately re-register, for an additional five-day period, many of the Infringing Domain
11 Names and hundreds of thousands of Defendants’ Domain Names that were deleted by
12 Defendants within 5 days of registration. Defendants repeatedly register, delete, and re-register
13 domain names to use the domain names for free and to avoid detection by Plaintiffs and other
14 trademark owners. The practice of repeatedly registering, deleting, and reregistering a domain
15 name within 5 days to avoid paying for the registration is known as “kiting.” Attached to this
16 Complaint as Exhibits 11 through 17 is the registry data taken over 10 days for seven Infringing
17 Domain Names that Defendants have repeatedly registered, deleted and re-registered for
18 periods of less than 5 days.

19 78. Plaintiffs are informed and believe, and on that basis allege, that each time
20 Defendants register one of the Infringing Domain Names, they list one of the many OnlineNIC
21 Identities as the registrant to avoid detection of a common scheme by Plaintiffs.

22 79. For example, Exhibit 11 depicts the registrant data listed for one of the
23 Infringing Domain Names verizononline.com (which is confusingly similar to Verizon’s
24 registered VERIZON mark):

25 registered 21-may-2008 listing gutian huangkai keji CO., LTD.; deleted 24-may-2008;

26 registered 24-may-2008 listing gutian huangkai keji CO., LTD.; deleted 27-may-2008;

27 registered 27-may-2008 listing lingyan yichang CO., LTD.; deleted 30-may-2008;

28 registered 30-may-2008 listing gutian huangkai keji CO., LTD.; deleted 2-june-2008;

1 80. Another example, Exhibit 11 depicts the registrant data for another of the
2 Infringing Domain Names verizioncareers.com (which is confusingly similar to Verizon's
3 registered VERIZON mark):

4 registered 21-may-2008 listing gutian huangkai keji CO., LTD.; deleted 24-may-2008;
5 registered 24-may-2008 listing gutian huangkai keji CO., LTD.; deleted 27-may-2008;
6 registered 27-may-2008 listing lingyan yichang CO., LTD.; deleted 30-may-2008;
7 registered 30-may-2008 listing gutian huangkai keji CO., LTD.; deleted 2-june-2008;

8 81. Another example, Exhibit 12 depicts the registrant data for another of the
9 Infringing Domain Names verzionlgphones.com (which is confusingly similar to Verizon's
10 registered VERIZON mark):

11 registered 21-may-2008 listing hainan shiyongjun CO., LTD.; deleted 24-may-2008;
12 registered 24-may-2008 listing hainan shiyongjun CO., LTD.; deleted 27-may-2008;
13 registered 27-may-2008 listing fujian jinjiang baohuxie keji CO., LTD.; deleted 30-may-2008;
14 registered 30-may-2008 listing hainan shiyongjun CO., LTD.; deleted 2-june-2008;

15 82. Another example, Exhibit 13 depicts the registrant data for another of the
16 Infringing Domain Names verizononephone.com (which is confusingly similar to Verizon's
17 registered VERIZON mark):

18 registered 21-may-2008 listing dehua manglang ciqu CO., LTD.; deleted 24-may-2008;
19 registered 24-may-2008 listing dehua manglang ciqu CO., LTD.; deleted 27-may-2008;
20 registered 27-may-2008 listing gutian huangkai keji CO., LTD.; deleted 30-may-2008;
21 registered 30-may-2008 listing dehua manglang ciqu CO., LTD.; deleted 2-june-2008;

22 83. Another example, Exhibit 14 depicts the registrant data for another of the
23 Infringing Domain Names verizonphoneservices.com (which is confusingly similar to
24 Verizon's registered VERIZON mark):

25 registered 21-may-2008 listing hainan shiyongjun CO., LTD.; deleted 24-may-2008;
26 registered 24-may-2008 listing hainan shiyongjun CO., LTD.; deleted 27-may-2008;
27 registered 27-may-2008 listing fujian jinjiang baohuxie keji CO., LTD.; deleted 30-may-2008;
28 registered 30-may-2008 listing hainan shiyongjun CO., LTD.; deleted 2-june-2008;

1 84. Another example, Exhibit 15 depicts the registrant data for another of the
2 Infringing Domain Names verizonpay.com (which is confusingly similar to Verizon's
3 registered VERIZON mark):

4 registered 21-may-2008 listing lingyan yichang CO., LTD.; deleted 24-may-2008;
5 registered 24-may-2008 listing lingyan yichang CO., LTD.; deleted 27-may-2008;
6 registered 27-may-2008 listing hainan shiyongjun CO., LTD.; deleted 30-may-2008;
7 registered 30-may-2008 listing lingyan yichang CO., LTD.; deleted 2-june-2008;

8 85. Another example, Exhibit 16 depicts the registrant data for another of the
9 Infringing Domain Names verizonwirlslss.com (which is confusingly similar to Verizon's
10 registered VERIZON mark):

11 registered 21-may-2008 listing fujian jinjiang baohuxie keji CO., LTD.; deleted 24-may-2008;
12 registered 24-may-2008 listing fujian jinjiang baohuxie keji CO., LTD.; deleted 27-may-2008;
13 registered 27-may-2008 listing dehua manglang ciqi CO., LTD.; deleted 30-may-2008;
14 registered 30-may-2008 listing fujian jinjiang baohuxie keji CO., LTD.; deleted 2-june-2008;

15 86. Plaintiffs are informed and believe, and on that basis allege, that Defendants
16 practice of repeatedly registering, deleting and re-registering domain names for periods of less
17 than 5 days while listing one of the many OnlineNIC Identities as the registrant is not limited to
18 those domain names that infringe the VERIZON Marks, the VZ Marks, and the VERIZON
19 FIOS Marks. Attached to this Complaint as Exhibit 17 is the registry data for registrations
20 between December 3, 2007 and May 30, 2008 for the domain name dellsounddrivers.com
21 (which is confusingly similar to the famous DELL mark). Exhibit 18 depicts 62 registrations of
22 the dellsounddrivers.com domain name by OnlineNIC during this six-month period. Each
23 registration of the domain name lists one of the OnlineNIC Identities as the registrant.

24 87. Plaintiffs are informed and believe, and on that basis allege, that each of the
25 VERIZON Related Domain Names is confusingly similar to the VERIZON Marks and that
26 each of the VZ Related Domain Names is confusingly similar to the VZ Marks and that each of
27 the VERIZON FIOS Related Domain Names is confusingly similar to the VERIZON FIOS
28 Marks or the VERIZON Marks.

1 88. Plaintiffs are informed and believe, and on that basis allege, that Defendants
2 used the Infringing Domain Names to divert for commercial gain Internet users searching for
3 the VERIZON Marks, the VZ Marks and the VERIZON FIOS Marks.

4 89. Plaintiffs are informed and believe, and on that basis allege, that Defendants
5 hosted a website at each of the Infringing Domain Names which displayed HTML links
6 featuring advertisements for goods and services that are directly competitive with those sold or
7 provided in connection with the VERIZON Marks, the VZ Marks or the VERIZON FIOS
8 Marks. Printouts from the websites at many of the Infringing Domain Names are attached to
9 this Complaint as Exhibit 19.

10 90. Plaintiffs are informed and believe, and on that basis allege, that when Internet
11 users clicked on one or more of the displayed HTML links on the website hosted at each of the
12 Infringing Domain Names that Defendants received payments from one or more advertisers,
13 search engines, or affiliate programs.

14 **Harm to Plaintiffs and the General Public**

15 91. Plaintiffs are informed and believe, and on that basis allege, that Defendants'
16 unauthorized registration and use of the Infringing Domain Names is likely to cause confusion,
17 mistake, and deception as to the source or origin of the Infringing Domain Names, and is likely
18 to falsely suggest a sponsorship, connection, license, or association of Defendants, and the
19 Infringing Domain Names with Plaintiffs.

20 92. Plaintiffs are informed and believe, and on that basis allege, that Defendants'
21 activities have irreparably harmed and, if not enjoined, will continue to irreparably harm
22 Plaintiffs and their long-used and federally registered VERIZON Marks, the VZ Marks and the
23 VERIZON FIOS Marks.

24 93. Plaintiffs are informed and believe, and on that basis allege, that Defendants'
25 activities have irreparably harmed, and if not enjoined, will continue to irreparably harm the
26 general public who has an inherent interest in being free from confusion, mistake, and
27 deception.

95. Plaintiffs are informed and believe, and on that basis allege, that Defendants registered and used the Infringing Domain Names.

96. Plaintiffs are informed and believe, and on that basis allege, that the VERIZON Marks, the VZ Marks and the VERIZON FIOS Marks were distinctive and federally registered at the USPTO at the time Defendants registered and used the Infringing Domain Names.

97. Plaintiffs are informed and believe, and on that basis allege, that the Infringing Domain Names are confusingly similar to the VERIZON Marks, the VZ Marks and the VERIZON FIOS Marks.

98. 99. Plaintiffs are informed and believe, and on that basis allege, that Defendants do not have any intellectual property rights or any other rights in the VERIZON Marks, the VZ Marks or the VERIZON FIOS Marks.

100. Plaintiffs are informed and believe, and on that basis allege, that none of the Infringing Domain Names consist of the legal name of any Defendants, nor a name that is otherwise commonly used to identify any Defendants.

101. Plaintiffs are informed and believe, and on that basis allege, that Defendants have not made any prior use of any of the Infringing Domain Names in connection with the *bona fide* offering of any goods or services.

///

102. Plaintiffs are informed and believe, and on that basis allege, that Defendants have not made any *bona fide* fair use of the VERIZON Marks, the VZ Marks or the VERIZON FIOS Marks on a website accessible under any of the Infringing Domain Names.

103. Plaintiffs are informed and believe, and on that basis allege, that Defendants registered and used the Infringing Domain Names to divert consumers from Verizon's website to a website accessible under the Infringing Domain Names for Defendants' commercial gain by creating a likelihood of confusion as to the source, sponsorship, affiliation, or endorsement of the website.

104. Plaintiffs are informed and believe, and on that basis allege, that Defendants' registration, use, or trafficking in the Infringing Domain Names constitutes cybersquatting in violation of 15 U.S.C. § 1125(d), entitling Plaintiffs to relief.

105. Plaintiffs are informed and believe, and on that basis allege, that by reason of Defendants' acts alleged herein, Plaintiffs' remedy at law is not adequate to compensate them for the injuries inflicted by Defendants. Accordingly, Plaintiffs are entitled to preliminary and permanent injunctive relief pursuant to 15 U.S.C. § 1116.

106. Plaintiffs are informed and believe, and on that basis allege, that by reason of Defendants' acts alleged herein, Plaintiffs are entitled to recover Defendants' profits, actual damages and the costs of the action, or statutory damages under 15 U.S.C. § 1117, on election by Plaintiffs, in an amount of one hundred thousand dollars (\$100,000) per domain name infringement.

107. Plaintiffs are informed and believe, and on that basis allege, that this is an exceptional case making Plaintiffs eligible for an award of attorneys' fees under 15 U.S.C. § 1117.

119. Plaintiffs reallege and incorporate by reference each of the allegations contained in Paragraphs 1 through 118 of this Complaint as though fully set forth here.

120. Plaintiffs are informed and believe, and on that basis allege, that Defendants' use in commerce of the VERIZON Marks, the VZ Marks, the VERIZON FIOS Marks and the Infringing Domain Names is likely to cause confusion, or to cause mistake, or to deceive the relevant public that the Infringing Domain Names and the websites and advertisements displayed at the Infringing Domain Names are authorized, sponsored or approved by or are affiliated with Plaintiffs.

121. Plaintiffs are informed and believe, and on that basis allege, that Defendants' use of the VERIZON Marks, the VZ Marks, the VERIZON FIOS Marks and the Infringing Domain Names is likely to cause initial interest confusion among the general public.

122. Plaintiffs are informed and believe, and on that basis allege, that the above-described acts of Defendants constitute trademark infringement of the VERIZON Marks, the VZ Marks and the VERIZON FIOS Marks and false designation of origin in violation of 15 U.S.C. § 1125(a), entitling Plaintiffs to relief.

123. Plaintiffs are informed and believe, and on that basis allege, that Defendants have unfairly profited from the actions alleged.

FOURTH CAUSE OF ACTION

[Dilution of the VERIZON Marks Under 15 U.S.C. § 1125(c)]

130. Plaintiffs reallege and incorporate by reference each of the allegations contained in Paragraphs 1 through 129 of this Complaint as though fully set forth here.

131. Plaintiffs are informed and believe, and on that basis allege, that the VERIZON Marks are famous, as that term is used in 15 U.S.C. § 1125(c), and were famous before Defendants' use of the VERIZON Marks and the VERIZON Related Domain Names and the VERIZON FIOS Related Domain Names in commerce, based on, among other things, the

1 inherent distinctiveness and federal registration of the VERIZON Marks and the extensive, and
2 exclusive nationwide use, advertising, promotion, and recognition of the VERIZON Marks.

3 132. Plaintiffs are informed and believe, and on that basis allege, that Defendants'

21 under 15 U.S.C. § 1117.

22 138. Plaintiffs are informed and believe, and on that basis allege, that this is an
23 exceptional case making Plaintiffs eligible for an award of attorneys' fees under 15 U.S.C.

FIFTH CAUSE OF ACTION

**[Trademark Infringement of the VERIZON Marks, the VZ Marks and the VERIZON
FIOS Marks Under California Business & Professions Code
§ 14320 and California Common Law]**

139. Plaintiffs reallege and incorporate by reference each of the allegations contained in Paragraphs 1 through 138 of this Complaint as though fully set forth herein.

140. Plaintiffs are informed and believe, and on that basis allege, that Defendants have used in commerce the VERIZON Marks, the VZ Marks, the VERIZON FIOS Marks and the Infringing Domain Names in connection with their business.

141. Plaintiffs are informed and believe, and on that basis allege, that Defendants' use in commerce of the VERIZON Marks, the VZ Marks, the VERIZON FIOS Marks and the Infringing Domain Names in connection with Defendants' services is likely to cause confusion or mistake or to deceive as to the source of origin of those services.

142. Plaintiffs are informed and believe, and on that basis allege, that the above-described acts of Defendants constitute trademark infringement in violation of California Business & Professions Code § 14320 and under the common law of the State of California, entitling Plaintiffs to relief.

143. Plaintiffs are informed and believe, and on that basis allege, that Defendants have unfairly profited from the actions alleged herein.

144. Plaintiffs are informed and believe, and on that basis allege, that by reason of Defendants' acts alleged herein, Plaintiffs have suffered damage to the goodwill associated with the VERIZON Marks, the VZ Marks and the VERIZON FIOS Marks and have suffered irreparable harm.

145. Plaintiffs are informed and believe, and on that basis allege, that by reason of Defendants' acts alleged herein, Plaintiffs' remedy at law is not adequate to compensate them for the injuries inflicted by Defendants. Accordingly, Plaintiffs are entitled to preliminary and permanent injunctive relief pursuant to California Business & Professions Code § 14335.

///

SIXTH CAUSE OF ACTION

**[Unfair Competition With Plaintiffs Under California Business & Professions Code §
17200 and California Common Law]**

146. Plaintiffs reallege and incorporate by reference each of the allegations contained in Paragraphs 1 through 145 of this Complaint as though fully set forth herein.

147. Plaintiffs are informed and believe, and on that basis allege, that Defendants have infringed the VERIZON Marks, the VZ Marks and the VERIZON FIOS Marks in violation of Plaintiffs' proprietary rights. Such acts constitute unfair trade practices and unfair competition under California Business and Professions Code §§ 17200 *et seq.*, and under the common law of the State of California, entitling Plaintiffs to relief.

148. Plaintiffs are informed and believe, and on that basis allege, that pursuant to California Business and Professions Code § 17203, Defendants are required to disgorge and restore to Plaintiffs all profits and property acquired by means of Defendants' unfair competition.

149. Plaintiffs are informed and believe, and on that basis allege, that due to the conduct of Defendants, Plaintiffs have suffered irreparable harm, have suffered injury in fact and have lost money or property as a result of Defendants' acts of unfair business practices alleged herein. It would be difficult to ascertain the amount of money damages that would afford Plaintiffs adequate relief at law for Defendants' acts. Plaintiffs' remedy at law is not adequate to compensate Plaintiffs for the injuries inflicted by Defendants. Accordingly, Plaintiffs are entitled to preliminary and permanent injunctive relief pursuant to California Business and Professions Code § 17203.

150. Plaintiffs are informed and believe, and on that basis allege, that Defendants' conduct has been intentional and willful and in conscious disregard of Plaintiffs' rights and, therefore, Plaintiffs are entitled to its attorneys' fees.

11 misappropriation of Plaintiffs' trademark rights; and

12 (g) Assisting, aiding or abetting any other person or business entity in

27 Business and Professions Code § 17200, and under the California common law;

28 ///

1 9. That Defendants be ordered to file with the Court and serve upon Plaintiffs a
2 written report under oath setting forth in detail the manner and form in which Defendants have
